Phenomenal!

By Maria

Savannah Jade is one of the most talented young poets that I have had the pleasure of knowing and meeting. I've been following her work on her @JadePoetry Instagram account for a year now and she never fails to amaze me! Her words are crafty, insightful, and so down to Earth. Some days I'll read a dark poem that grasps my heart and forces me to reflect on my life, and other days I'm laughing from her absolute wit and humor. She truly is worth the buy, I cannot wait to see what her future career as an author beholds for her. Very honored to purchase this work of literature.

I have been following this poet online for a while ...

By Frank A Jurado

I have been following this poet online for a while now and I am always impressed with the depth of her writing. Given her age, she has an astonishing grasp well beyond her years. The poetry comes from a place of knowledge and understanding. In a time when so many are looking the other way when it comes to the hardships of life and the struggles of those with deeper rooted troubles, this author attacks the subject head on and provides a voice for those afraid to speak out.
