Review

"Claire Baxter's Best Friend...Future Wife combines a deceptively simple plot with fabulous, multi-faceted characters. It's pure magic. 4.5 stars RT Top Pick!" - Romantic Times BOOKreviews

"Claire Baxter is an author who pens stories about characters that have a history...a history that will leave you spellbound. 5 stars." - Cataromance.com

From the Author

If you've ever witnessed a couple take the journey from friends to lovers, you'll know that they didn't make the transition easily. It's rarely as simple as revealing an attraction. On the contrary, whether to make the first move can be an agonising decision.

Because the stakes are so much higher.

And there are plenty of potholes to stumble into on the way. There's a risk in taking a friendship where it's never gone before and the risk is not merely rejection, but irreparable damage to the relationship they cherish. That's why it's so hard for them to say the words, to take the ultimate risk.

To someone on the outside, it can appear blindingly obvious that the two are meant to be together. She's his rock, his steadying influence. He's her pal, her confidant. They communicate well, enjoy each other's company. They're soul mates. So why can't they see it?

Because they're best friends. And people don't sleep with their best friends. Instead, they hide their feelings, repress their lustful thoughts and channel their love into platonic caring and sharing. Until...

Whatever the catalyst, when friends do finally admit that there's more than friendship between them, the result can be a deep, abiding love based on mutual respect, understanding and acceptance.

A love that's worth the risk.

About the Author

Claire Baxter writes contemporary romantic fiction of all lengths. Her short stories have been published in commercial women's magazines around the world, while her novels have been translated into 20 languages, and have been nominated for the Romance Writers of Australia's Romantic Book of the Year Award, the

Booksellers' Best Awards, the RT Book Reviews Reviewers' Choice Awards, and the Cataramance Reviewers' Choice Awards (winner, Best Harlequin Romance).

Claire grew up in Warwickshire, England, but for more than 20 years has called Australia home. She considers herself lucky to live near one of Adelaide's beautiful metropolitan beaches where she loves to walk and think up stories.

BEST FRIEND...FUTURE WIFE BY CLAIRE BAXTER PDF

Della has always been in love with her childhood friend Luke, with his charming smile and his gorgeous gray eyes. Trouble is, Luke's only ever wanted to be friends. And when he moved overseas she lost even that.

Then Luke unexpectedly returns home, and lights up Della's world all over again. Della must make an agonizing decision—reveal her true feelings to Luke and risk rejection, or keep them hidden forever, never knowing what they could have had.—

awful characters

By scmailgirl

I don't normally like to write a bad book review since it's so subjective, but I really disliked the main characters in this book. Nor mally I am rooting for the couple to get together, but in this book I was hoping that Della would see the light and kick Jake to the curb. She is a doormat but likable enough. He is a manipulative, condescending, controlling jerk. I'm sorry, but if a man invited himself to a work event with me, and used it to further his career, while ruining mine, I would not be forgiving him the next day. Then when he swears that he didn't intend to get her fired and casually tells her he is not sorry because he disapproves of her profession I would not forgive him ever! It's really easy to be condescending when you have a trust fund. And for someone who needs stability because of her childhood, she sure is quick to forget that he is the one who put her in this position. And lastly it is annoying that he then continues to manipulate her for the rest of the story into doing what he deems respectable. Are you sure a woman wrote this book? If this is how all of this authors heroes and heroines are, I will not be reading any more of her books. If you like a strong female lead or a sympathetic male lead, you may want to skip this one.
