Stupid book that really gave you no ideas for golf games. Just talked about her experiences. I was totally disappointed.

Great fun and a good resource!

By PatM

If you belong to a golf league or play often with the same group, you will enjoy this book. Letta Meinen and her friends have collaborated to create a book filled with fun stories and great formats to include in your next round of golf. It's easy reading with photos and anecdotes. A worthy investment if you are ever responsible for running a charity event tournament or to spice up your league play. For both men and women golfers. A lot of the games would work well for a youth group too.
