No Guitar Tabs

By MTF

I guess I missed the part of the item description which said this book doesn't have guitar tabs in it. I have the three other Jack songbooks which correspond to his other three albums and mistakenly assumed this would be in the same format. Oops. Great album, though.

0 of 0 people found the following review helpful.

Great music

By anonymous

My kids love these songs and I enjoy being able to play for them.

0 of 3 people found the following review helpful.

awesome

By LBWheels457

a great option to learn all the fun songs from the movie and cd on the piano at home! It's so much fun, and my children love it!
