Totally Unexpected!!!

By JigsawGirl

Thrown into prison for a seemingly simple crime, Riana's goal is simply to survive. No prison cells, no male/female segregation, no chance of parole or escape. Just a mass of humanity thrown into hell, a melting pot of horror.

Her first day, she sees Cain and latches on to him for survival. The description of the prison environment makes you cringe, and hold your breath wondering how Riana is going to survive. The only way is for her to give herself to Cain, the strongest person there.

The story is so descriptive, you find yourself sucked into that planetary world. You watch Cain and Diana's relationship start in survival mode and morph into something more. You get more of a sense of who they are, not based on background information, but on how their relationship develops.

I was expecting an erotic romance, but what I received was so much more. I was very pleasantly surprised.

Gritty Erotic Sci-Fi romance!

By Maria Rose

This erotic sci-fi thriller is the story of Riana, thrown into the planetary prison Hold and told by a well meaning but unsympathetic guard to find the strongest man there to protect her - and she does, finding Cain and giving herself to him in hopes that he'll help her survive. I really enjoyed this unique story. There isn't a

lot of character buildup to start but the setting is well described, bleak and cold in its description of the base level of humans left to survive on their own in this prison. Riana is a strong female character latching on to Cain when he offers her the chance to be with him. It's a do or die situation for her and she does the only thing she can, expecting the sex with him to be horrible but finding that once their initial encounter is out of the way, she is actually attracted to him. The sex scenes are definitely hot and steamy, and though Cain is not a big talker, we get the impression that he is an upright guy, protective of Riana once she is in his sphere of control. It's a unique romance, but they find something to believe in with each other, and this makes the story riveting to read as they try to find a way out of the hellhole they are in. The ending is sweetly satisfying. Loved it! 5 stars for a thoroughly entertaining read.

**BUY THIS BOOK!**

By Anne Marie

**THIS BOOK WAS SOOOOOOOO GOOD!** I wasn't really sure what I was getting myself into when I bought it.. First book I've read by this author.. I read the blurb and figured it sounded okay.. I mean it's erotica and that's exactly what it is.. **BUT IT'S THE GOOD** type of erotica. **ZERO** cheese with an amazing plot and absolutely **NO FILLER**. The hero and heroine were amazing.. It's been awhile since I could say that. Usually one of them gets on my nerves in erotica books. And though I am not a grammar snob I found the writing style as smooth as butter. There really isn't one thing I didn't like about the book. When I realized it had less than 200pgs I was concerned that it wouldn't be long enough but I found it to be the right amount. I was sucked in on the first page, nothing was left out for question, and it had a really nice epilogue. It found it's way to my favorites folder on my kindle. Not very many books have made it there. **HIGHLY RECOMMEND!**
