An Exquisite Masterpiece

By robert richmond

I have been collecting Middle Eastern weaponry for over thirty years and have been waiting too long for a book of this quality to be published. This book is a visual and intellectual treat for all scholars and collectors of Islamic or Oriental weapons and those readers who will just want to delight in the visual beauty of exquisite crafted works of art. This is a comprehensive masterpiece of identification, and sublime photography of a lifetime's journey of discovery. If you are to buy only one book on Islamic and Oriental weapons then this is the one.
