very useful and practical

By Everest

I like the simplicity and usefulness of this book. Many herbs and diseases are covered, and the best are the anecdotes and letters of people who were healed by herbs. I love books which have herbalist & patient experiences. I came to know about this book while doing some text search in Google Book search. I am very glad to own this book.

when you need to know what herbs are best

By Susanne Murray

Very good information, easy reference, I use this book all the time to know what ailment and herbs will help.

Lots of info on studies, and doctors recommendations.

Also recommended: the food pharmacy.
