GAY ROMANCE I'm about to have quite the transformative sexual experience... For years now, I've harbored a secret gay crush on my best friend Kyle. The two of us have been extremely close since high school, but all this time, I don't think he's had any inkling whatsoever as to my sexual orientation. He's about to get married now, and I decide to act at last in fear that I might never again have the opportunity to do so. The two of us are on a camping trip together, drunk as skunks, when I seduce him in our tent, and the two of us make sticky, passionate love. When I wake up, however, my long pined-for lover is gone, along with all his possessions, and I immediately scramble from the tent, knowing that I might have sabotaged our relationship forever. But when I emerge from the tent, I'm stunned out of my wits to see a fully grown grizzly bear looming over me, snarling, and ready to rip me to pieces. My only salvation comes at the hand of an intervening werewolf, who drives away the bear, presumably killing him somewhere off in the woods. Then, my savior returns, fully human again, and it turns out that I'm expected to offer my own version of bodily payment in return for his heroic efforts... \*Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-) Enjoy!\* A standalone GAY ROMANCE with a happy ending ;-)

This whole trip had been a disaster, and I should have had the foresight not to have expected otherwise in the first damn place.

By Grady Harp

Hungarian author R.P. James embellishes his biography as well as adding a photo of himself as a buff model handsome. So now we know that Arpad (his friends call him `Arpi' which he distilled to R.P. as a moniker) is a male hunk with a degree in Economics and a minor in creative writing. He further sates `When I am not busy writing, you can find me on the tennis courts or in a Taekwondo Dojang. I write books about strong sexy women and the hot alpha males who love them. Of course, step brothers and Billionaires are welcome too ;-) My tastes are every expanding, so keep your eyes peeled for my next hot, steamy, romance!' So we have another short novella from a young man who has a growing sophistication in writing steamy erotica. This time around he sculpts a new situation that proves he can handle this genre extreme well.

Arpi handles not only same sex romances well but he comfortably throws in shape shifting to make the adventure more challenging - to the characters and to the reader. 'I'm about to have quite the transformative sexual experience...For years now, I've harbored a secret gay crush on my best friend Kyle. Arpi always surprises the reader with his ingenious manipulation of story with hot steamy physical encounters. This one is a 10! Grady Harp, September 15

Using a woman as a narrator for the voices of two gay males in a gay love story is an abomination.

By Tom(C)

Using a woman as a narrator for the voices of two gay males in a gay love story is an abomination. This is the third book I've found on Amazon's Audible books that uses a female narrator for the voices of gay men and if this is a trend I won't be listening to many audiobooks anymore. It is hard enough to find a good of half way decent male raconteur.
