Rav Miller's words come to life in this fascinating new book!

Virtually every decision we make is affected by our grasp of the principles of emunah and bitachon (faith and trust in Hashem). But where do we turn to gain clarity about these issues, to find answers to our many questions?

Rav Avigdor Miller, zt l, answered that need for thousands of Jews, and more than a decade after his passing, he continues to do so. Rav Miller left behind a vast legacy of recorded shiurim and writings. Now, thanks to the efforts of Rabbi Yaakov Astor, an important part of that legacy has been transformed into this monumental book.

The themes of emunah and bitachon permeated a great many of Rav Miller's shiurim and seforim, but the material was scattered in many different places and was thus hard to access. Now, that eye-opening material has been collected, assembled and organized into a fascinating question-and-answer book, a book that will answer your questions and bring you clarity when you need it most. Rav Miller's bold, straightforward approach sheds a brilliant light on the most troubling, thorny issues that confront us. His crystal clear Torah wisdom will profoundly impact your life.

This sefer will surely enlighten and inspire every reader. -- Rabbi Shmuel Miller, Rosh Yeshiva, Yeshiva Gedolah Bais Yisroel

Pure Rav Miller on Torah True Faith and Trust in G-d

By MICHAEL B.

If you want to learn everything Rabbi Miller has to say on faith and trust in G-d, this is the right book for you. It is written in the style of how he speaks. I found it very inspirational, and I can see myself rereading it a few times to reinforce the principles.

I highly recommend purchasing this book

By Chaya

This year, at my daughters' school's annual mother's melaveh malka, an incredible speaker was brought in who spoke on the topic of Emunah and Bitachon. I hope I can say she changed my life. At the conclusion of her speech she encouraged the audience to go out and purchase a sefer on Emunah and read from it daily, because without that it's impossible to keep up a real level of emunah.

Well, I unfortunately spend too much time on my phone, so I figured why not get some positive use out of it? Instead of buying a physical sefer, I purchased the Kindle version of Rav Avigdor Miller on Emunah and Bitachon.

If you have listened to Rav Avigdor Miller's shiurim, you will recognize him in this book. It is not written by him, rather it is a compilation of questions and answers from his Thursday night shiurim, grouped by topic. Each topic is given a brief introduction by the author of this book.

Rav Avigdor Miller was unique, and his teachings on emunah and bitachon are incredible. I highly recommend purchasing this book, and reading from it daily. You will benefit, I can guarantee it! Just reading it will change your actions and eventually your life. When I miss a few days, I can tell the difference!
