READY, AIM, IMPROVISE!: EXPLORING THE BASICS OF JAZZ IMPROVISATION (BOOK & 2 CDS) BY HAL CROOK

PDF

As taught at Berklee College of Music Ready, Aim, Improve! explores the critical areas involved in learning how to improvise, including: music theory, jazz harmony, ear training, jazz execution, jazz vocabulary, practicing, self-critiquing, career planning, and much more. Ready, Aim, Improve! is filled with musical examples, exercises, and practice routines that help make the learning process easy and enjoyable. Two enclosed play-along CDs feature modal, key-area, and modulating chord progressions performed at a slow, manageable tempo. Ready, Aim, Improve! is a clear, comprehensive study of the most important steps in a jazz musicians education. Don't be surprised if it gets you practicing more and playing better in no time at all!

Best book on improvisation yet.

By Gashreamer

As a professor I'm constantly looking for good books and good information. I have many books on improvisation and all of them have something valuable. That said, Ready, Aim, Improve is the most well organized, complete, sensible and above all, musical book on improvisation that I've seen yet.

3 of 4 people found the following review helpful.

Here is a GREAT book !!

By W. Kennedy

Hal Crook, in my view, has been one of the bright stars in college teaching. His book, Ready, Aim, Improve, is a "must read", by any musician who is serious about becoming a better improviser and consummate musician. The clarity of his ideas, no non-sense approach to developing as a musician is simply one of the finest texts I have read in over 35 years of teaching. It has been out there since 1999 or so, and

remains a cornerstone in the field of jazz studies. I know I am not the first to say Thanks Hal !!!!
