Do. Not. Mess. With. My. Man.

It won't end well. I promise. I've waited too long and fought too hard to get my happily ever after. We had a wedding to prepare, a honeymoon to enjoy, and a life to plan. No one would be stupid enough to get in our way.

Or so I thought.

Color me surprised when Jake's ex wiggled her way back into our lives. She says it's just business, but I'm not taking any chances. We put the past behind us when I accepted Jake's proposal and I'm not afraid to shove it back where it belongs. I will do whatever it takes to protect my life with Jake, even if it means playing dirty.

Very romantic

By A Parks

Jake and Eve are back, and as hot as ever in *Reflected in the Rain*, the second book in the Storm Inside series. This picks up before the romantic nuptials and the reader gets to fall in love with this couple all over again through the hot, sexy and equally romantic honeymoon. But just as in life, the honeymoon must end, and reality rears its ugly head in the form of a woman from Jake's past.

I really enjoyed this book. The tension was high between Jake and Eve as they navigated murky waters stirred up by Jake's ex-girlfriend. It was really well written and I liked how the couple faced major issues that could have threatened the relationship, but never went too far for there to be redemption. It should how even the deepest love can be threatened. I really loved the development of the friendship turned brotherly love between Eve and Greg, and hope to see more of them in the future.

This is a must read series. MUST READ.

By Dana Volney

I was excited to get back to Jake and Eve's love story! Alexis Anne's writing takes me on an exciting journey every time. The heat between Eve and Jake is beyond intense. I loved the first book in this series, *Into The Storm*, and with the second, *Reflected in the Rain*, I wasn't sure what to expect - and I was blown away. Eve is a strong, funny woman and I love her thought process. Jake is a smokin' hot man that can go toe to toe with Eve anytime. Love these two!

Fight For Love

By Patti J Lanfair

What do you do when sex is the therapy that keeps the darkness and the reality of life from surfacing? You keep on having sex but eventually you have to grow up and face reality so all the days that follow can be filled with nothing but good blessings. Jake and Eve are faced with ex's from the past, demons from the past, and learning who there are now and not holding onto the way that they used to be.
