PreS-Gr 1—When Rhoda goes with Auntie June, Uncle Jonah, and their perky little dog on a "long, long hike from their up-north cabin," her aunt is interested in photographing birds; her uncle in camping; and the dog in adventure and exploring. But Rhoda is a rock hunter. Everywhere they go, she finds rocks—near the lake, on the forest path, in a rushing stream, and, especially, on the beach beside the Big Lake. Rhoda picks up smooth, striped, and sparkly rocks; colored rocks and plain rocks; rocks that fit perfectly into her hand, and others with all sorts of shapes. Finally, with her small backpack so loaded she cannot lift it, the child must decide what to do with her multitude of treasures. Bell's cartoon illustrations bring this simple story to life. Scenes of woods, lakes, beaches, and boulder-edged stream offer a somewhat inviting glimpse of hiking and camping with a charming freckle-faced little girl who loses herself in the part of nature she likes best.—Susan Scheps, formerly at Shaker Public Library, OH

RHODA'S ROCK HUNT BY MOLLY BETH GRIFFIN PDF

Rhoda is on a long, long hike with her aunt and uncle, each of them carrying backpacks of gear as they walk through the north woods. While Auntie June and Uncle Jonah watch for wildlife and set up their campsites, Rhoda is on the hunt for one thing: ROCKS. She finds them in all shapes and patterns, from hearts and hats to stripes and sparkles. And every last treasure goes into her pack, making it heavier and heavier as they hike through forests and along streams. Soon Rhoda is sweaty, and tired of salami sandwiches, and wishing for her own bed. Then, on the last day, they come to the Big Lake. And its beach is covered in rocks. Rhoda can't believe her luck. After hours of play and even more rock discoveries, it's time to head for home. By now Rhoda's pack is too heavy to lift. Will she give up her rocks and return to the cabin for a real shower, a hot meal, and a soft bed? Or will she stay on the beach forever with her beloved collection? Her clever solution makes the most of her treasures—and offers delights for other hikers.

Writer and teacher Molly Beth Griffin is the author of *Loon Baby* and *Silhouette of a Sparrow*. Jennifer A. Bell has illustrated over a dozen children's books, most recently *Toe Shoe Mouse* and *When a Dad Says "I Love You."*

If your child loves rocks, buy this book.

By Katy Kelsey

My daughter loves Zoe and Rocco skits on Sesame Street, collecting rocks, pretending to collect rocks, and putting things in bags. I bought this book at our local book store yesterday on a whim, we read it this morning before getting dressed, and most of her morning pretend play revolved around rocks. This is a good book with a problem-solving girl protagonist. I enjoyed that the adults are Rhoda's aunt and uncle, rather than her parents or teachers or mysteriously missing from the world entirely.

Rhoda's Rock Hunt was fun to read as an adult, the illustrations made me smile at all the different terrain that they hiked, and now I have introduced more ideas about rocks to my daughter. Our conversations today were not just counting or about the size of the rocks, but stripes and shapes and stacking them into towers. Thanks for writing a book about a little girl who loves rocks.

My 3 year old is OBSESSED!

By Heather F.

My almost 3 year old little girl is obsessed with this book. OBSESSED! She loves rocks and tiny things and is a total nature girl so this fits her personality to a T. She wants to read it 10 times a night and this is a book I don't mind reading over and over again. Beautiful illustrations and a sweet and very unique story. A nice change from all the normal princesses and frilly things. Bravo Molly Beth Griffin!

Cute book!

By Jessica Bradley Barnes

I received an electronic copy of this book in exchange for an honest review. This in no way influenced my review.

I can really relate to this book. Rhoda is a girl who loves to collect rocks, but finds herself wanting to keep too many of them. She cannot take all of them home because they are too heavy, so what does she decide to do? Read this cute book filled with beautifully colorful illustrations and a wonderfully crafted story to find out.
