SETTLE FOR MORE BY MEGYN KELLY PDF

It's no any kind of mistakes when others with their phone on their hand, and you're as well. The distinction may last on the product to open **Settle For More By Megyn Kelly** When others open up the phone for chatting and also speaking all things, you could occasionally open up and also review the soft file of the Settle For More By Megyn Kelly Naturally, it's unless your phone is available. You can also make or save it in your laptop or computer that reduces you to check out Settle For More By Megyn Kelly.

From the Back Cover

In the three years since her show *The Kelly File* premiered on the Fox News Channel, Megyn Kelly has cemented her reputation as one of the most respected, hardest-hitting journalists in America. Tackling issues from both sides of the aisle, live on prime time five nights a week, Megyn has embraced difficult questions and pressed for real answers, redefining the face of news for her more than two million regular viewers.

Now, in her debut book, Megyn goes behind the scenes of the stories and the storms that landed her in the anchor chair of the most successful news broadcast in cable news. Having grown up in a family whose values rejected the “trophies for everyone” mentality, Megyn traces the experiences that shaped her professional ascent—from her father’s sudden, tragic death while she was still in high school to the events that propelled her rise in journalism.

Speaking candidly about her decision to “settle for more”—a motto she credits as having dramatically transformed her life at home and at work—Megyn discusses how she abandoned a thriving legal career to follow her dream in the news business. Through her unique blend of hard work, humor, and authenticity, she has won fans across the political divide.

Megyn also opens up about the controversy that made her, unwillingly, one of America’s most-talked-about public figures, giving her side of Donald Trump’s feud with her while sharing never-before-heard details about the first Republican debate and how she was able to persevere through the difficult aftermath. In addition, Megyn sheds light on the challenges she has faced as a professional woman and working mother, revealing her approach to issues of gender in the workplace, as well as how her success is rooted in the adage “Be so good they can’t ignore you.”

What emerges is a deeply personal and surprising account of her life, one that inspires men and women, young and old, Republicans and Democrats, to embrace the values of determination, honesty, and courage in the face of fear. At once funny and uplifting, *Settle for More* offers unparalleled insight into one of the most charismatic and intriguing television personalities of her generation.

About the Author

Megyn Kelly currently serves as anchor of Fox News Channels *The Kelly File*. Throughout her tenure with Fox News Channel, Kelly has covered breaking news and reported on location. Before joining Fox News,

Kelly served as a general assignment reporter for WJLA-TV (ABC 7) in Washington, D.C., where she covered national and local stories of interest. SETTLE FOR MORE BY MEGYN KELLY PDF

Whether it's asking tough questions during a presidential debate or pressing for answers to today's most important issues, Megyn Kelly has demonstrated the intelligence, strength, common sense, and courage that have made her one of today's best-known journalists, respected by women and men, young and old, Republicans and Democrats.

In *Settle for More*, the anchor of *The Kelly File* reflects on the enduring values and experiences that have shaped her—from growing up in a family that rejected the "trophy for everyone" mentality, to her father's sudden, tragic death while she was in high school. She goes behind-the-scenes of her career, sharing the stories and struggles that landed her in the anchor chair of cable's #1 news show. Speaking candidly about her decision to "settle for more"—a motto she credits as having dramatically transformed her life at home and at work—Megyn discusses how she abandoned a thriving legal career to follow her journalism dreams.

Admired for her hard work, humor, and authenticity, Megyn sheds light on the news business, her time at Fox News, the challenges of being a professional woman and working mother, and her most talked about television moments. She also speaks openly about Donald Trump's feud with her, revealing never-before-heard details about the first Republican debate, its difficult aftermath, and how she persevered through it all.

Deeply personal and surprising, *Settle for More* offers unparalleled insight into this charismatic and intriguing journalist, and inspires us all to embrace the principles—determination, honesty, and fortitude in the face of fear—that have won her fans across the political divide.

As a fan I ended up questioning her intentions for writing this book.

By Ashley Hall

I'm a fan of Megyn Kelly but I have to say that this book is not worth your time or money. I thought I would end up liking her more after reading this, but I ended up questioning whether her intentions for writing this were merely for personal gain. Some of her allegations were too far fetched and did not sound authentic, especially because she waited to reveal these situations until her book debut. If you watch the *Kelly File*, you know that Megyn isn't afraid to ask the tough questions and to challenge others, so I would expect her to blow the whistle on these incidents early on if they were true. Wish I could have rated this higher, but I really expected more.

Can't put it down

By Amazon Customer

I'm almost finished with Megyn Kelly's book and I'm so glad I bought it. It's been awhile since I've wanted to be totally immersed in a particular book. Found myself wishing I could stay home from work, get under the covers and just read. I find Megyn to be an excellent role model, working hard, achieving excellence in

several areas, and recreating herself when she realized that she was settling for less. Her high standards for herself both as a professional and as a Mom are evident in the book. I had tremendous respect for Kelly from her show and even more from reading the book. The only thing that gives me pause is that she didn't blow the whistle on Trump bribing journalists before the election. Maybe it would have looked like she was taking sides and I'm sure remaining fair and balanced in her coverage while Trump and his supporters were threatening her could not have been easy, and I must say I commend her for managing it amazingly well. I think the book is very well written and has had me laughing and crying on the train while reading.

Two Stars

By yon100

I wanted to like this but it came off really braggy and uninteresting.
