Deep into the Vale of Promise ventures a young knight, Sir Constant, who desires nothing more than to be in service of the Great King. Though unworthy of this high calling, he sets forth on the perilous road that all who desire to serve the King must take - the Splendid Way. His heart, courage, valour, and faith will be tested. His strength and endurance will be challenged. And his allegiance to the one true King will be proven. A richly dramatized allegory wrought with biblical truth.

and the adventurous will love it. With the virtues of friendship

By Orrin

It is hard to justify spending \$25 on an audio CD, but this is one instance where it is entirely worthwhile. Not just a page-turning book, the dramatization is excellent, and has me sitting in the car when I get home so I can keep listening. With the virtues of friendship, loyalty, wisdom, kindness, humility, courage, peaceful, lion-heartedness all bundled together in this amazing little book. It is decidedly Christian, but worth the while of anyone who wants to hear a great story.

An absolutely beautiful allegory of a Christian's walk with the Lord! This is one that my family and I will listen to for years to come!

captivating

As a book, it's right up there with Pilgrims progress, but this is great audio drama. It captivates and holds you throughout.
