If Magnus Chase and his friends can't retrieve the hammer quickly, the mortal worlds will be defenseless against an onslaught of giants. Ragnarok will begin. The Nine Worlds will burn. Another great book by Rick Riordan, loved it.

By Robyn Gasbarro

My 13 year old son and I loved the book. We enjoy Rick Riordan's writing. I am a bit conservative, but there is a character who is transgender. Had to explain that, but this character is also a shape shifter, so explanation was ok. Interesting character.

Definitely worth the read.

Hooked

By Lisa White

I'll admit that I wasn't sure I would like the Norse series, but wow! I love the other two series a lot and now I am hooked on this one as well I absolutely love that Rick intertwines the books. Keep them coming. I have read everything Rick has written and await the next installment!

My 12 year old son isn't a bookworm. He reads because he has to read either for school or because I make him. But he's really enjoyed Riordan's books and has asked for each new one coming out. And he read this in about 3 days. He actually walked around with his nose in this book vs an ipad or soccer ball at his feet. So I'm a big fan.
