This soft data e-book The Israeli-Palestinian Peace Negotiations, 1999-2001 Within Reach (Israeli History, Politics And Society) By Gilead Sher could be your good friend in any sort of situation.

THE ISRAELI-PALESTINIAN PEACE NEGOTIATIONS, 1999-2001 WITHIN REACH (ISRAELI HISTORY, POLITICS AND SOCIETY) BY GILEAD SHER PDF

Written by Gilead Sher, Israeli Chief of Staff during the tumultuous 1999-2000 peace negotiations, this book provides a fast paced description and analysis of the Israeli-Palestinian conflict. Presenting an overview of the core issues of contention, the various key 'players' and the possible solutions formulated during the peace process effort, the book sheds new light on the events of that period.

An important contribution to the current literature, it provides a fresh understanding of the link between the Israeli-Palestinian conflict and the current global threats of Islamic fanaticism and international terrorism.

Best book on Camp David to Taba

By Mr. Shaun Jackson

Whilst there have been a number of books on this topic such as Enderlin's *Shattered Dreams*, Swisher's *The Truth About Camp David* and Dennis's Ross's verbose recollections in *The Missing Peace*, Gilead Sher's book is by far the best.

Filled with details of every meeting, discussion between Israelis, Palestinians and Americans, it fills in the missing details as to the motives and positions of the principal players in the negotiations. It reveals that the reason for the breakdown in the negotiations was complex and multi-causal, not simply a case of "exposing

Arafat's face" as has so damagingly been popularised in Israeli and Jewish circles.

As Israel approaches a new round of final status negotiations after a break over six years, the Israeli government should have a good read of Sher's book for instruction. The time for wishful thinking regarding a final agreement is over - an agreement in the spirit of the Clinton parameters remains the best resolution of the final status issues, which as Sher sets out the Israeli government accepted, subject to minor clarifications over six years ago.

Wish you could be fly on the wall of the Camp David negotiations? Now you are

By F. Garvett

Yes, it's a history book. Yes, it is written by someone who was there, in the room, rather than by an author who merely interviewed participants. The answer is "yes" to all the questions which make this book a must read.

But, where this book distinguishes itself from dry historical accounts is that the author puts you right there. You are in the room with the key players. One is made to feel like the proverbial fly on the wall. The author, paints a word picture that leaves one smelling the cigars, the food, the tension, the fatigue of all night negotiations, and the emotional whipsaw of being inches from the finish line - the elusive peace.

A dry historical account it is not. The author fleshes out each of the key players. One comes to know their personalities and personal agendas. Their personalities come to life and evolve from two dimensional newspaper caricatures to three dimensional complex figures.

For one, such as myself, who started with the belief that a Palestinian/Israeli peace agreement is a fantasy, it is a strange journey to the truth. Peace, even if a cold peace, we come to learn, was, and still is, more a question of political will, driven by public perception, than it is an issue of security, borders, settlements, demographics, rights of return, and Jerusalem.

I look forward to the sequel. We all look forward to the sequel.

Insightful

By E.S.

Gilead is my brother, so naturally, I am not objective, then again, knowing him personally, I can attest to his unyielding honesty, extraordinary analytical brightness and deep commitment to a fair solution to the Palestinian Israeli conflict.

Refelecting these qualities, "Within Reach," a best seller in Israel, and published illegally in the Arab Press, provides a fascinating insight into the overt and covert negotiations, detailing the Israeli and Palestinian positions on the core issues of the conflict -- Palestinian Refugees Right of Return, Jerusalem, Settlements, Security and Territories, Water. It recounts the ups and downs of the negotiations, the "players" personalities, the decision making process and the proposed solutions, which will no doubt serve as the blueprint for any future negotiations.

I highly recommend it for anyone interested in Israel, in the Israeli-Palestinian conflict, and most importantly, in the parameters of a possible agreement for the End of Conflict.
