Good for a Sarah Jane Adventure Audio-Book CD

By Robin FM Bird

I enjoy the Sarah Jane Adventures, so I ordered the audio CD the GOLDEN STORM, it was not the CD that came. I received The THIRTEENTH STONE, instead. I still enjoyed The THIRTEENTH STONE adventure.

I am disappointed that I didn't get the story I ordered. Now is the GOLDEN STORM adventure the same as the GLITTERING STORM? I suppose I won't be finding out now from this CD audio book.

I have The THIRTEENTH STONE already from audibles download.

Well, at least now one adventure can be on the go with me. I like the story, after all it does have the main characters and is read by Elisabeth Sladen!!

BEWARE!!! Not the title shown!

By N. Molik

I have the same situation as the previous reviewer. I also received "The Thirteenth Stone" when I ordered this CD. That's fine with me because I don't have it yet, but since the title says "The Golden Storm", that's what it should be. (Even though I now notice that the picture actually is "The Thirteenth Stone" and not The Golden Storm.)
