UNBOUND MINISTRY GUIDEBOOK (HELPING OTHERS FIND FREEDOM IN CHRIST) BY NEAL LOZANO, MATTHEW LOZANO PDF

When the message of UNBOUND was first published, the life-changing truth of the Five Keys to freedom was carried around the globe. As stories poured in of wondrous deliverances and "captives set free," author Neal Lozano realized the need for a written guidebook to help those who carry the message and ministry of UNBOUND to the far reaches of the world. This UNBOUND Ministry Guidebook builds upon what was written in the second part of UNBOUND and will be an encouragement to all those using the Five Keys to help others. The contents of this book will equip people to serve the Lord in setting captives free- in a way that is reproducible throughout the world. Like the original best-selling UNBOUND: A Practical Guide to Deliverance, this balanced, hopeful book will teach you how to help others find freedom in Christ, focusing upon the Lord and His work in the believer's life, rather than on demons. With loving and wise practical instruction, based on years of experience, the Guidebook assists anyone called to pray for others to be set free.

Pastor's Perspective

By Scott McKay

The Unbound Ministry Guidebook is an excellent follow up to Unbound. It is Biblical, pastoral, and practical. It lays a great Scriptural foundation for those both giving and receiving ministry. The material is presented in such an affirmative manner, that the reader feels confident in doing the work of the ministry. He answers some of the most commonly faced issues and also provides helpful resources in ministering to others. This is a phenomenally helpful book that I highly recommend!

Great Resource

By Jan Vidmar

I have had the opportunity to pray with several dozen people using Unbound prayer model over the past 4 years. I have found the 5 Keys format to be consistently fruitful in bringing people into greater freedom in Christ. The Unbound Ministry Guidebook has been an invaluable resource in my ministry. The topics, Scriptural references, and personal insights and examples from the Lozanos' years of ministry have helped me tremendously. Specifically, it has taught me much about loving the person receiving prayer and helping them to better understand their heart, which is my role in the prayer session. It is no exaggeration to say that I review some part of the Guidebook before every prayer session. The Lord always seems to reveal something new or to deepen my understanding of the Father's heart of love for me and the person with whom I pray.

Unbound Ministry

By PATRICIA R. LASOTA

I have read Neal Lozano's previous books, and they are excellent, but I have not yet completed this one. Will do a review when I am complete. "Unbound" is extremely clear, treats the subject factually, and like the author is well within both Catholic and orthodox Protestant Biblical theology -- lacks wild speculation and sensationalism, but treats a difficult subject, very realistically. A great read.
