Very Useful

By Rygy12

This book offers some very useful insights on not only modern-day-terrorism and terrorism tactics, but also goes in depth with how citizens and local police work just as hard in preventing a terrorist attack. Useful charts and pictures. Also projects the future of terrorism (the next 5-15 years of terrorism).

Not the best CJ book

By TraumaJunkie

Just a bunch of opinions on terrorism that appear to have little differences than others. Too much about foreign groups and more of a history lesson than terrorist lesson
