Roman Catholic will like it!! I'm not to sure for others though :/

By mahi

It is a average book, there are a lot of things explained by it, such as the gospels. People close to god, and important people throughout history such as Jesus Christ or Moses[the guy who went to Mount Sinai to retrieve the Ten Commandments from god to have some rules in Israel] I learned that from that book. However they do not tell you what the new and old testament. It is the good book once in a while.
